Hi Marilyn.

Thanks for all the friendliness. I am proud for what I have become from our last training. I have started life with a new vision and willpower. Life is like a lucky packet. You can love it or hate it. That's for you to decide.

With the help of the Lord I can handle people with love and grace, no matter what they have done to me.

Last but not least. → To be what God intent me to be, I WILL BE ONLY I EVER COULD BE. AND EVEN MORE.

Thanks again. Marilyn.
Love u lots.
